Technique Course - 5 Day Intensive Course

29th August – 2nd September 2016

9.30am - 1.30pm everyday with
Beatriz Morales, Gemma de la Cruz
& Nuria García in Dance Attic, Fulham.

This course deals with the coordination of movements of different parts of the body and consolidation of concepts which are fundamental for the flamenco dance. This is a rare opportunity to analyse your own individual needs and this unique course will help to correct and improve your dancing.

We will only be taking 10 students into the Improvers/Elementary and only 15 students into the Intermediate course so the teachers can give personal attention to every student on the course.
